lack of formalsexeducation during childhood and adolescence instead showing a
preference to obtain information throughpornographyor the internet rather than
going to health professionals or their parents It can be hard to know how to
talk to your child about the risks of watching onlineporn

Our advice can help you explain the risks to your child prevent them from
watching it and know what to do if your child has explicit or upsetting content
online The free online mainstreampornographythatteenagersare most likely to see
is a completely terrible form ofsexeducation says public health researcher Emily
Rothman Dec 12 2024 Odds are your adolescent has already encountered
onlinepornography

Your role is to openly address it scholars say. The average American first sees
onlinepornographyat age 12 and nearly There is a tendency to blamepornfor wider
social problems howeverporndoes not exist in a vacuum

It is part of culture and society as a whole which means it will always be
difficult to determine ifpornis the actual cause of harm.
