Mar 23 2023 Horrible andterribleare largely interchangeable both are used to describe something very bad and repulsive

Terrific is the odd one out as its the only one used as a positive such as The gardener did a terrific job on the lawns Feb 16 2024 An elbow is dislocated including external rotation of radius and ulna

Over time the so calledterribletriad of the elbow coronoid and radial head fractures plus elbow dislocation has become lessterribledue to increased medical familiarity

The big change forterribletriad within one It sterrible I had to go back to old Outlook at work glad it s still there the new one is uncooked just like W11 This subreddit is dedicated to bad and cringe memes from all fandom

Those memes may have decent subject matter and all but a meme can be bad for a variety of reasons

These are some examples Shitty formatting Horrible fonts Googletranslate Weird inappropriate subject matter Fetishizing gay relationships or any non canon potentially underage ships Incredibly obscure subjectmatter that Jan 28 2024 A place to post an opinion you accept may be flawed in an effort to understand other perspectives on the issue

Enter with a mindset for conversation not debate A depository of maps that convey no useful information Edit 2 Really appreciate all the feedback a previous CIO of mine once told me if all you can do is bitch about a problem and not suggest a solution or constructive feedback then don t bitch at all

That really has stuck with me so in the spirit of that statement everyone here should go to Contact support and provide feedback in new Outlook for Windows Microsoft Support and present Literally the app isterribleand their customer service is useless

Could barely stream the last two ufc PPVs because of issues with the app. Says to log in when logged in says I need to buy ESPN+ when I already have it and all the other complaints. Im about to stop ordering UFC if they keep using stupid ESPN app

DANA!! Get rid of the scrubs Fed EX is extremelyterrible
