Feb 10 2023 Nearly 3 months ago I spent a week with aThaigirl and today I got a text from her saying she s pregnant with my child. We plan to abort

Need tips insights advice from others who know a thing or two about abortion in Thailand r Thailand Go to Thailand r Thailand r Thailand I m not aThai hookerbride and I complain to my boyfriend that he s on the computer

I also get jealous sometimes of my boyfriend s past and I fully intend on not having a job after I have a child Ive been to Thailand a total of 5 times you always hear about the government cracking down on prostitution when prostitution brings in millions of dollars to theThaieconomy why would they seriously do it Nov 23 2021 Its mostly an indication of a low class woman orhooker

They seem to be becoming a bit more common though probably bc more middle and upper class Thais have travelled or studied abroad and it seems like everyone in the west is covered in tats these days Reply reply Constaninoble Thai Hookerbet we couldnt shit on her face be me be sophomore in college spring break decide to go to San Francisco with a few of my bros >I had this one buddy we ll call him Dave Feb 13 2023 What could thisThai hookerwant from my friend? I will try to make it as short as possible

My friend is lonely desperate and incredibly nave. A couple of months ago he started to use tinder and he almost fell for a long distance scam from Malaysia May 27 2024 For context The guy has made several videos in Thailand he always appears to be high on something

In this video he picks up a freelancer on the street agrees to go with her to a short time hotel while she s in the shower he says to the camera he has no money and thinks its funny afterwards he tells her he didn t agree to pay

He tries to leave the hotel this is where the video starts he really attractive and high endThaigirls dont go home with random dudes they met in some club especially not with a foreigner who might just be a tourist looking for a hookup Dec 12 2022 Could also be the IR eye for the remote

If you cover it the AC remote stops working. Anyway a blinking led on a hidden camera is not a good plan

the untwisted cables from it suggest the signal cannot travel a great distance and have any quality signal another hint for a IR Apr 25 2022 As aThaiDon t trust anyone easily Don t go to where most foreigner go Expect women to be ladyboy

Judge by act voice smell body face Do wear condom Do go to param9 petchburi for happy massage Do approach girl for dating at mall don t do nightlife MostThaiare
