Ever come across moments when you ve read something or indeed watched something and thought hang on thatsthe same as what i read saw in to the point that it makes you wonder if someones been peeking at other peoples homework? Myname is Shannon and I suppose I should fill you all in on who I am

You and I are going to go on a journey of sorts itsmyjourney of course but I m totally willing to have a few interlopers Mystory is based onmyown life and dressed up as a sort of superhero love story Jun 13 2009 I knowthatsa stupid question as books vary from book to book but whats the minimum? Ive got approx 44k words in mine and im about 3 quarters of the way through It s a still Sunday morning cloudy but not cold

It s not to be a relaxing day off there is work and shopping to be done butthatsok I m feeling pretty good. On friday night several students of mine came up to me in the bar to thank me for Apr 15 2008 Ok so if you were a superhero like me what would your name be ?? EDIT myname would be

Platinum becausethatshow much I am worth. p Apr 19 2007 Blank Verse Discussion in The Craft of Writing Poetry started by Sayso Apr 19 2007. Blank verse is poetry that has been written in unrhymed iambic pentameter thatsfive feet with a foot being an unstressed beat followed by a stressed beat

William Shakespeare wrote most of his plays in blank verse May 8 2017 In real life or stories People charcters have power over others even if they are just more persuasive accertive. Overdoing the power thing for me is just a turn off.Thatsjustmyopinion

Although if it is done properly it is the thing that holds the readers attention nope thatsgood! and cutting those bits didnt require much editing to make the chapter flow without it. so i guessthatssa good sign

means it wasnt adding anything by being there May 22 2011 Ahthatswhat I like to hear I agree 100% I ve always liked characters with alot of traits. These traits are exactly how I imaginedmyMC but I had to be sure they didnt contradict eachother.
