Jan 2 2016 Theword best is an adjective and adjectives do not take articlesbythemselves. Because thenoun car is modifiedby thesuperlative adjectivebest and because this makes thenoun car definiteinthis context we use the. It is best not to do something

Here we have the adjective best but this adjective is attached to no noun Oct 18 2018 In your context the best relates to {something} whereas best relates to a course of action

Plastic wood or metal container? What was the best choice for this purpose? Plastic wood or metal container? What was best to choose for this purpose? Either is acceptable and the practical meaning is the same but their referents implicit not explicit are different May 25 2022 Which one is the best is obviously a question format so it makes sense that which one the best is should be the correct form

This is very good instinct and you could even argue that the grammar is good but at best it's unnatural Oct 20 2016 Both sentences could mean the same thing however I like you best. I like chocolate best better than anything else can be used when what one is choosing from is not specified I like you the best

Between chocolate vanilla and strawberry I like vanilla the best can be used when choosing from some choices Apr 2 2019 Your example already shows how to use best as an adverb

It is also a superlative like greatest or highest so just as you would use it as an adjective to show that something is the ultimate example of its kind when used as an adverb you do so to indicate that the adjective it precedes is to the highest degree possible. In your example experienced is the past tense of the verb to May 29 2023 So it is the best ever means it is the best of all time up to the present

It was the best ever means either it was the best up to that point in time and a better one may have happened since then or it includes up to the present Aug 22 2020 I mean here You are the best at tennis and you are best at tennis choose the book you like the best or best both of them can have different meanings but most and another adverb in a standalone sentence has a completely different meaning Jan 18 2017 The second sentence as you said contains a superlative best

In English unlike in some other languages such as Spanish the superlative does not require a definite article. In fact it would actually sound weird to say It is the best to stay here

The second sentence means this It is better to stay here than anywhere else Nov 8 2019 Consider this sentence This is the best ever song that I've heard. This is the best song ever that I've heard
