A Google Books search confirms Ammer's assertion that the original allusion is to an unnecessary wheel added to a four wheeled vehicle

In Google Books search results for the phrases like a the fifth wheel and like a the third wheel most of the earliest matches involve fifth wheels Nov 29 2016 2 I think the term fifth wheel is a term for something superfluous akin to an extra wheel on a four wheeled carriage

The Wikipedia claim about the fifth wheel referring to the the fifth wheel coupling on trailers seems far fetched since it may be fifth but it's by no means useless Dec 10 2014 A fifth wheel is literally less necessary than a third wheel

A fifth wheel adds nothing to the stability of a four wheeled vehicle whereas a third wheel does actually improve the stability of a two wheeled vehicle Apr 26 2017 Is there an alternative expression for the third fifth wheel on the wagon ? Ask Question Asked 8 years 7 months ago Modified 8 years 3 months ago Nov 24 2014 There are three expressions like third wheel or three's a crowd indicating that those people not in the one on one couples relationship are extraneous

Three in this case stands for more than two and no special four or five expressions are needed Jan 16 2017 Might be off topic but just feel it's interesting

In Chinese there is actually a very specific word for this person and it got popular in recent years as more and more people are having affairs

Originally it's called the third one meaning it's the third person out of the couple and then became little third in pop culture Third wheel A person or thing that serves no useful purpose. An unwanted third party accompanying two people on a date

Sparewheel An extra wheel held in reserve in most cars to be used in an emergency. Fifth wheel Anything superfluous or unnecessary Jan 5 2018 This may be similar to the expression third wheel or fifth wheel possibly with the verb to pass over or to overlook? To blank is not quite what this involves
