Between theyears1914 and 1918 Newfoundland lost an entire generation of young men to an unspeakable horror that was supposed to be the war to end all wars

You would useyears when talking about more than one year in a possessive sense  
We agreed to review our agreement in fiveyears time May 9 2021 The days of ouryearsare threescoreyearsand ten and if by reason of strength they be fourscoreyears yet is their strength labour and sorrow for it is soon cut off and we fly away

The much older Latin Vulgate has the 70years as septuaginta anni where the first word is clearly 70 without the use of score Feb 1 2015 Closed 10yearsago

1 is not yet 2 or more so which do we properly say 1yearsold or 1 year old ? Feb 22 2023 Does anyone have good information on the first known usage or attribution of the phrase the best time to plant a tree was 30yearsago the second best time is now or similar concepts? According Jan 18 2024 The next year is the year immediately after the current one

The next fewyearsfollow the current year immediately

If my understanding ofthismatter is aligned with that of a native speaker then the phrase in the nextyears implies a contradiction because there can only be one next year Jul 29 2011 From WordWeb Annual Occurring or payable every year What is the corresponding single word for occurring every two year three year four year etc

I understand that it s surely not exhaustively Reddit is a network of communities where people can dive into their interests hobbies and passions

There s a community for whatever you re interested in on Reddit Im curious if anyone here has maxed out there 401k for more then 20 plusyears the max between you AND you company contributions and if so how much do you have?? Edit super interesting I would thought at contributing between 50 70k a year based on past limits and age at a growth rate of 8% you would have over 5 million in 20years Jan 29 2019 You ll probably get responses if you first provided examples using these different time expressions and ask if they are appropriate

In other words tell the community why these expressions seem to be a problem for you provide your own examples Apr 10 2024 When I was a small child probably around 7 my brother and I would have sexually inappropriate contact with one another relatively frequently

My brother is a year younger than me. If I remember correctly it all started because my parents would have my brother and I take baths together to save time and would leave us unsupervised for short periods of time duringthis. I think
