I took this picture just for the hose clamps. I found some NOS EELCOthumbscrews a few years ago. You can get them from Restoration Supply Company. They don t have a web site but call them and get their catalog

They have a lot of detail stuff Dec 11 2012 Roll oversteer feels twitchy. There are lots of rules ofthumb about what should be parallel or pointing up or down. Mostly it s all bunk. Just do the calculations and design a geometry for the handling characteristics you want

Some adjustability is always a good thing as well Aug 28 2009 What is safe minimum oil pressure?
