Feb 23 2014 In the Disney franchise just how tall is Tinkerbell? Aug 1 2025  
Continuing the discussion from Jewel Eye Staring down the beryl July Mini Rants  
Im going to start off the month with a real mini mini rant but a funny one. One  
of my toilet seats broke so Im looking to replace it

Theres a good one for sale on Amazon for a decent price on sale but I can save a  
little money if I buy used like new. For a toilet seat. Used. But like new Jun  
28 2004 The title says it all

In The Wizard Of Oz the heroes at one point have to cross a poppy field and they  
barely manage to make it through without falling asleep

And in LOTR Sam and Frodo have to cross the Morgul Vale which contains similar  
sleep inducing flowers which were not necessarily supposed to be opium poppies  
but but seem similar

Since we have the same basic plot element in two Nov 5 2025 I think of The Hokey  
Pokey from time to time when I step over the tub when I get out of the shower.  
We really need a walk in shower but Im afraid to ask the price lest we start  
getting 23 spam calls per day

It occurs to me that I was not exposed to The Hokey Pokey until my late 20s at  
the earliest. I still have not seen The Chicken Dance Aug 17 2000 Really. I had  
noticed it a couple of times in the car but I didnt want to say anything

I mean what can you say Pee yew what IS that smell oh its you my darling  
daughter? But the other day I walked into the house back from running errands  
and involuntarily exclaimed Who was spraying bug spray in here? What happened?  
and from the dining room The Cat Who Walks Alone.
