Mar 18 2022 trueWhat is Xbox game bar ? in brief it s a customizable overlay utility that every gamer uses

It gave you instant widgets in your windows bar available in windows 10 or 11 in my case I use it to record screen its easy and light program not everybody knows it so in this article I will tell you about the Xbox game bar if you like you can see this video about Xbox game bar on my channel What Feb 2 2023 I noticed my http youtube s top left corner shows BA right of YouTube s logo

What s BA? I see in all of my three web browsers SeaMonkey Feb 11 2022 Even after looking at the dictionary I don t really understand how it is used and why? How does adding change the meaning of the sentence? Nov 22 2021 The old command that used to work in youtube dl doesn t work in yt dlp

Since I hadn t done this before I pointed him at the examples for yt dlp format selection and suggested that maybe this command would work yt dlp f bv+ba b My suggestion didn t do what he needed

So to his credit he figured out the answer which is May 4 2022 I m looking at the yt dlp manual on github and in the Format Selection section it says this ba\* bestaudio\* Select the best quality format that contains audio Nov 17 2022 Here s the longform By default yt dlp tries to download the best available quality if you don t pass any options

This is generally equivalent to using f bestvideo\*+bestaudio best. And here s the definition of best b best Select the best quality format that contains both video and audio. Equivalent to best\*[vcodec!=none][acodec!=none] Apr 11 2021 yt dlp very efficiently retrieves livestreams

I use it in scripting but result of no part o filename.% epoch s.mp4 is quite inconvenient for further use Aug 22 2023 Every time you invoke yt dlp it will be with those arguments unless you use the ignore config option then you can specify new args after that for one time use scenarios

see yt dlp help for all available options. You can specify all your output formats metadata formats output directory etc

it s quite a flexible and powerful program Dec 27 2022 Posted by u iRustock 16 votes and 8 comments Jun 11 2020 The other chefs support for sohla and the others through their video strike is the biggest factor in whether BA will keep earning from YT imo

If they quit permanently and are replaced people arent going to keep watching.
