Did Amanda Martin have a face lift or something? This year on the new episodes her face looks different and her eyes are barely slits like she is squinting all the time

Not criticizing but she really looks different Dec 22 2019 Ok I like tits ass and porn as the next bloke But it fills the whole front page usually Is there a way to hide certain threads? Feb 15 2010 Love the titties but wtf? Only one pic of mardi gras titties

There has to be more May 17 2020 She also has a big ass and thick waist to go with those titties

Why do you think they NEVER show her ass or full on body shots in any of her commercials? And if you look into her attitude she is really harsh on guys that let it be known that they like looking at her

Yet those ka knockers are her money makers Jun 17 2018 Ok I like tits ass and porn as the next bloke But it fills the whole front page usually Is there a way to hide certain threads?
