Jun 10 2018 If something is apparently too good to be true it probably really is [too good to be true]

but that's much wordier which is why the proverb is expressed the way [that] it is Dec 24 2018 In your example too good to be true means that something generally an offer or a description of a desirable product is not credible. Hyped up is another way of putting it

Only too good to be true would simply be emphasising the dubious nature of whatever was concerned Aug 17 2017 It is really informal but who said it is wrong? A phrase with a similar meaning might be It's too good to be true meaning it is beyond your expectations To Good To Be True is very laid back which could've been fine except the verse melody keeps reminding you of a song that goes in the opposite direction

Maybe the larger companies have better infrastructure and support or other positives that have them so well known and well loved It's the verses of too good to be true

I'm guessing Kacey wrote too good and when they realized how close it was they just got Anna permission and gave partial some writing credit and % Feb 14 2022 Things that sound too good to be true CAN happen theoretically you could win \$1000000 with a lottery ticket and that does sound too good to be true right? but there are times you should be cautious And I guess that's what the saying wants to state

But it's still not correct.
