Anyone seen these treated particularly well? And other non word meaningful vocalizations? Authentic dialogue is rich in these and they re very hard to figure out how to convey in print Oct 1 2022 The Yes album i really loved it during first listen but after few listents i removed most of the songs from my playlist no idea why Yes debute its cool for what it is but meh 9125 Drama Tormato have some good tracks but mostly sucks Talk Big generator Open your eyes Reply reply astro\_sauce 1Fragile 2 Close To The Edge 3 Relayer I accidentally said yes to one of those phone scams and I m kind of panicking

Is there anything I can do? I thought I was smarter than this but I kept getting calls on my phone from people trying to offer me an extended warranty on my car Nov 8 2022 If the professor meant Yes I had then that would be an abbreviated for of Yes I had a nice time last night

Both Yes I did and Yes I had are grammatical. Yes I have while technically grammatical itself would be a confusing way to reply to the question 791 votes 74 comments. 8.4K subscribers in the loveandlighttv community

see when your pushing its not the pushing that feels good its the wetness I always answer yes and have gotten a bunch of job offers over the years despite it. My yes is physical disabilities but I see no reason not to say yes if its true

I dont want to work for someone who isnt ok with my body being broken It is rude not sarcastic if someone asks a yes or no question to two completely different questions and only one answer comes out as a reply. A lot ruder still if asked a qualitative question and answered with Yes
