Feb 14 2024 I understand you want to check the level on your computer
Unfortunately the HP Photosmart C6380 printer doesn t offer the functionality to
check ink levels directly from your computer through Windows 11 Apr 11 2025
Check Ink Levels Using Printer Software on Windows HP Printer Assistant Search
Windows for the name of your printer and then select it in the list to open HP
Printer Assistant Apr 8 2025 Add Your Printer Open the HP Smart app and touch
the plus sign to add your HP DeskJet 4100 series printer to the app

Check Ink Levels On the HP Smart app homepage select your printer to display the
status including the ink levels Feb 6 2024 The exact steps may vary depending on
the printer model but typically you would go to the printer s settings menu and
look for an option related to ink levels or cartridge status

Online Resources If you prefer you can also check the ink levels from your
computer by accessing the printer s embedded web server Oct 21 2024 If the ink
levels are incorrect and you want to reset them follow these steps Remove the
Ink Cartridges Open the printer cover to access the ink cartridges

Carefully remove the cartridges from their slots. Reset the Printer Unplug the
printer from the power source. Wait for about 60 seconds. Plug the printer back
in

Reinstall the Ink Feb 7 2025 Just open the app select your printer and it will
show the ink levels. Alerts Heres how your HP printer will indicate low or empty
ink levels Ink icons and Resume light are on This means one or more ink tanks
are low on ink

Simply refill the indicated ink tank Feb 11 2025 If you have the HP Smart App
installed on your smartphone you can also check the ink levels directly from
there

Just open the app select your printer and it will show the ink levels Feb 3 2025
Right from the beginning there has been no indication of ink levels in the tank
windows on the front of the printer

I ve checked both the user guide and the printer itself to see if there is some
kind of covering that needs to be removed but there is no covering. The windows
are dark and look opaqu Mar 26 2025 I have a HP Envy 6055e. My color copy light
was flashing. I don t know what that means

I haven t been able to find my ink levels. I got a computer message that says
You re Printer needs attention Jan 18 2024 View the Estimated supply levels next
to the printer image. It might take a few minutes for the ink or toner levels to
display
