Feb 12 2022 Well thetruthitself is the way things are and like you re saying there isn t so much we can do to further define that. It just is. But there s a second consideration which is that humans make claims about the way things are

These claims may be considered as sequences of characters or noises or perhaps patterns of mental activity. And we call some of these claims true and other claims Dec 8 2015 Truthis a property of propositions mostly propositions claiming facts. Hencetruthlives in a completely different domain

It rains today is a proposition which claims a fact. The proposition can be true or false. On the other hand facts are not true or false. Instead they are or they are not

See also What is the difference between Fact Truthis what the singer gives to the listener when shes brave enough to open up and sing from her heart. But still curious about the difference between both of them

In our daily life in general conversation we generally use these both terms interchangeably

Then what is the difference? Are they synonym or have specific difference? Dec 3 2024 There is no absolutetruthbecause we as humans are restrained from ever knowing it is fallacious what humans can know imposes no restriction on what is

And this will only be a way out of the paradox after it specifies which axioms of classical logic are supposed to be dropped and shows that what is left is enough and otherwise reasonable

There are several options described in standard Aug 25 2025 OP How can we attain truth if all we can do is justification? This comes down to the idea that there are historically two forms oftruth thetruthof the pre Socratics and that of the Platonists

For the pre Socratics thetruthis what is as presented whereas for the Platoniststruthmeans the correspondence of the presented form with its idea or in the OP s terms its Feb 24 2025 5 Whethertruthcan exist without language and thattruthis an objective reality that exists independently of us are not opposed claims although they don t imply one another

A Platonist would tell you that language like other mental objects exists in the ideal realm whether people are around to think about it or not Jan 22 2024 Rubbish. Truthand wisdom are inseparable questions andtruthare inseparable

How could you even ask a meaningful question without beginning from sometruth? What meaning does wisdom have without reference to sometruth? Sep 8 2017 Finding truths is definitely possible finding important truths harder finding all
