Oct 3 2016 The act of writing can be for anything writing down has a sense of formally recording and certainly to write down something one must write it

One would not say write down a note to your friend but one would say write down what happened in a note to your friend or Write it down in a note to your friend writewrite down3Hinative write downwrite up4Hinative Here are some examples of places where you can use write but not write down

I am going to write the alphabet on the chalkboard. This writing is probably not for personal use by the speaker. It would be slightly awkward to say write down the alphabet in this sentence. I am going to write a story for the newspaper

Apollon19 I think writeTo write down means to take a note. To write means writing in general. Examples Philip wrote a book last year. Thats a useful tip I should write that down

For example a teacher might tell their students to write down a sentence that is already on the blackboard

To use write down correctly in the situation you describe the teacher would say Now I want you to [find make up think of] some sentences in present continuous and write them down writewrite down6Hinative Take down write down1Hinative write down Put it down can be used to mean write it down but its usually like youre documenting something

My names John but put it down as Jack. You can put down your name right here. My wife took notes on the next house we saw which I noticed she put down as the hobbit shack. write itwrite i 5Hinative.
