Aug 2 2022 Turndown serviceis effectively getting the room refreshed and bed ready for sleep. Functionally that basically means they turn down the bed meaning they literally usually turn down a corner of the duvet or comforter top sheet

Usually leaving something like chocolate on the pillow or the remote by the nightstand May 20 2024 Eveningserviceat GHT wasturndown bathroom room refresh towels and I believe new waters if we d used the previous ones

I don t recall treats there but at PH Kyoto there were chocolates waters and drinking glasses left bedside Sep 12 2023 Sorry OP

How are you a Plat travels globally and extensively in Asia and not realize thatturndown serviceby housekeeping is definitely a thing in high end hotels in Asia many times housekeeping visit the room up to 3X per day clean QA check turndown service not deadbolt or DND your room in the evening

Or when you are in the bathroom. Please let it go. Enjoy the great property and Feb 15 2024 Turndown serviceWarm regards to everyone working in the Hospitality sector. I would like to ask how does a front office manager coordinates theTurndown servicein 5\* Hotels

Do you call the guests to check if they have left the room? Does Housekeeping Knock on the doors? Both? Thank you in advance for your valuable assistance Sep 6 2023 I could be misremembering but I believe they said theturndown servicewas separate from regular housekeeping? Which is why I was confused

Even if I didnt refuse any of that ahead of time wouldnt the DND sign tell them to come do housekeeping another time? Jul 8 2020 Turndownat luxury hotels is the PM shift

Youll go in the rooms for another quick cleanup empty trash etc open the bed for them place chocolate or flowers turn lights on blinds down music on lightly etc setting the mood for bed time Sep 16 2022 Turndown serviceseems to be really just a fancy name for the maid cleaning the room each day

Which is something that happens at all chain hotels Ive been to unless you specifically hang the do not disturb sign Aug 28 2022 Do I tip Turn DownService? I tip housekeeping Im staying at a wonderful hotel and they surprised me with turn downservicewhich included chocolates quite delicious and bottled water numerous

I always leave tips for house keeping but does that cover this otherservice? Sep 12 2022 Turndown serviceis a special amenity but given how small the rooms are and how easy it is to get bogged down with roomserviceplates etc its a nice one
