

#twisty treats 3# I've nearly completed the game and I'm stuck on the Twisty Twisty's POV about her recent collab.

Jan 21 2024 Goat Simulator3 is a third person sandbox adventure game in which you get to become the literal GOAT

Just like the first Goat Simulator you'll need to headbutt lick and triple jump your way across the giant island of San Angora this time with all new areas challenges and events to discover The way Twisty is treated has been bothering me for awhile

Huge amount of Niji audience hates her in a similar way people hated Zaion. But then places like here are also being critical of her being unhinged having no idea what she's doing and having no audience

Honestly I quite like her For people who love any sort of twisty puzzles including but not limited to Rubik's Cubes and any size design variants the Square 1 the Pyraminx and more Nov 19 2022 HELP the instincts take a bite of the lumberjack hat balance objects on the 5 posts take the scenic route in the balloon cart play catch with a person and do a legendary twisty mcgoat trick Sep 18 2023 Does anyone know of any fun twisty roads to drive on in Minnesota or Wisconsin? New comments cannot be posted and votes cannot be cast Aug 15 2021 Found this off a google search so it's a super late comment but if you haven't found it already Lakewood road going from tula to Skiatook is fairly twisty with low enough traffic you can go relatively fast it's my usual spot to take the 400 Twisty already has some rats being spread about her but other than the weird clip of her allegedly admitting to being bullied there's a good chance it was just cringe but who knows she hasn't had a lot going on yet For posting anything that has to do with twisty puzzles

You can post new puzzles your own collection any questions neat pictures and videos etc. No speedcubing please! Twisty has the best model but man that sound clip was annoying

The guy sounds like a POS both because of the accusations and his voice just makes me want to punch him May 20 2022 Any recommendations for some beautiful drives through the hills or twisty roads that one could take a sports car for a nice drive within one hour of Nashville?.
