The miniseries is based on the 2015 news article *An Unbelievable Story of Rape* written by T. Christian Miller and Ken Armstrong about the Washington and Colorado serial rape cases. The true crime miniseries *Unbelievable* explores the difficulties in conducting investigations into sexual assault.

It weaves together two stories: the first is that of Marie, a young woman who reports being raped and eventually recants her story due to trauma and police pressure. After a young woman is accused of lying about a rape, two female detectives investigate a spate of eerily similar attacks.
