There are 4 ways to get from Bellevue to Redmond by tram bus taxi or car. Select an option below to see step by step directions and to compare ticket prices and travel times in Rome2Rio's travel planner. RapidRide service is actively managed by Metro to maintain even intervals between buses.

Please plan accordingly.

Real time arrival information is available at many stops as well as through several online tracking services including Metro's Trip Planner. Starting May 10, travelers can hop on the Link light rail from Downtown Bellevue and be in the heart of Redmond in under 20 minutes, no car required.

Sound Transit is officially opening two new Eastside stations as part of the 2 Line expansion: Marymoor Village Station and Downtown Redmond Station. Starting today, passengers in east King County will be able to take light rail between downtown Redmond and South Bellevue and easily make convenient connections to the regional transit network. On April 27, 2024, Sound Transit officially opened the 2 Line, which connects Bellevue to Redmond.

Next up will be the two more stops serving Marymoor Park and Redmond Town Center. The extension of Sound Transit's light rail into Redmond will provide fast, frequent, and reliable connections around town, Bellevue, Seattle, and to the rest of the region. Ride the 2 Line! Your New Connection is Here! The 2 Line has arrived, making travel easier than ever.

Today you can ride between South Bellevue and Downtown Redmond with smooth, reliable service across the Eastside. Apr 26, 2024, Link 2 Line service will run through eight new stations across 6.5 miles of the Eastside, with plans to expand into Snohomish County in the fall.

Beginning Saturday, the light rail will travel between the South Bellevue Station and the Redmond Technology Station. Apr 29, 2024, Sound Transit's long-anticipated East Link debuted over the weekend, connecting Bellevue with Redmond via light rail.

The train, which will eventually travel across Lake Washington, has been a long time in the works. Apr 19, 2024, the light rail trains will run every 10 minutes from 5:30 a.m. to 9:30 p.m. seven days a week.

This means that getting around Bellevue and Redmond will be traffic-free! Here's your guide to riding the new light rail system, complete with all the things you can do at each of the stations.
