Jul 14 2023 Question This is what nerdwallet tells me If you paid for your ticket with United Mileage Plus miles you can cancel your flight online or by calling customer service. As of Jan

1 2023 you can cancel an award ticket at any time before departure and have the miles redeposited without paying a fee Apr 29 2023 Promise. Special flairs If you're a United employee or Global Services member PM u Player72 with proof ID badge or similar and you can get a special flair

Don't come in here with a low quality rant without any additional information. You can complain just don't be an idiot and make sure you ELABORATE on the issue if you need our advice United won't cancel the flight and return the luggage. So any passenger with a checked bag is completely stuck

Any passenger who may actually want a refund for this nonsense is also stuck. They are still at 11 40pm trying to cobble a crew together because the other crew timed out

They have so far one flight attendant Special flairs If you're a United employee or Global Services member PM u Player72 with proof ID badge or similar and you can get a special flair. Don't come in here with a low quality rant without any additional information

So one ticket has me flying A to B and two weeks later B to A. The other ticket has me flying B to C and two weeks later C to B

B is the connecting airport for getting me from A to C and C to A on one day and I left plenty of time to make my connections on Jun 8 2023 United Health Care is the worst insurance a company can offer their employees be ready to spend time on the phone dealing with these pricks Oct 22 2023 A United rep seemed to imply \$150 but I wasn't sure

Alternatively I need to buy tickets from a different city C next month stopping over in the same intermediate city C > B > A

What would it look like to upgrade to Economy for \$99 then change the flight? Can I even change the start city like that? Any insight would be much appreciated! Is there a reason United doesn't offer the accelerator without a reservation especially near end of year? Edit didn't realize you could add a bonus PQP accelerator to mileage accelerator for an additional cost
