May 6 2013 As reported by the NOAD in a note about the usage of used There is sometimes confusion over whether to use the form used to or use to which has arisen largely because the pronunciation is the same in both cases

Except in negatives and questions the correct form is used to we used to go to the movies all the time not we use to go to the movies

However in negatives and questions using 1Used to describes an action or state of affairs that was done repeatedly or existed for a period in the past to be used to or to get used to means be or become familiar with someone or something through experience. I used to go in southern Italy every summer

I was used to understand when somebody was lying It has been used as the symbol is correct here

Use Present Perfect when the action referred to started in the past and either continues or continues to have relevance at the time of speaking Oct 27 2015 Officially it's used to be and that should be used in written text but even native English speakers cannot detect the difference between used to be and use to be when spoken Jan 22 2015 Usage note used to be used to Do not confuse used to do something with be used to something

You use used to do something to talk about something that happened regularly or was the case in the past but is not now I used to smoke but I gave up a couple of years ago Jul 4 2011 Why does used to mean accustomed to ? Why is used to used to indicate a recurring past event? In I used to be used to using it

there are three meanings of use. I ask about the etymologies Feb 25 2014 Which is the correct way of saying the following sentence if there is a right way I used different symbols to make it great

I've used different symbols to make it great Jan 8 2015 What is the difference between I used to and I used to and when to use each of them? Here I have read the following example I used to do something I used to drink green tea

I used to drink green tea means that in the past I drank green tea but now I don't. Used to describes an action that did happen but doesn't happen now Which one is the right sentence for a paper? We believe that our method can be an informed choice to use as a starter program for We believe that our method can be an informed choice to be used as Jun 13 2019 What is the negative form of I used to be ? I often hear I didn't use to be but that sounds awfully wrong in my ears.
