as you know a lot of people disregardvaggieas having no personality or a poorly written personality but what if its intentional? viv REALLY likes to add small details that have big meanings or allude to something in the future and theres a few notable aspects forvaggiecarroll pointed out she still fought like an exorcist even after being in hell for months when she thought she Vaggiecarrying Charlie off to bed orVaggiewaking up with annoyed bedhair and having her first instinct to check up on Charlies antics is so CUTE and also very raw and tender Mar 11 2024 How didVaggiehide her golden blood? Given the injured state she was in when Charlie found her it s shocking that she wasn t still bleeding at all

Not to mention keeping it a secret over three years or more of everyday scrapes and bruises

I always felt that she was justified in her behaviour in the pilot between dealing with jerks at the TV station the guy who ruined their reputation and a dangerous demon Feb 19 2024 Biological Age 22 Other Nifty is likely the youngest current hotel member biologically withVaggiebeing the only contender

Im not counting Charlies biological age as theres likely no real way to measure it Sir Pentius Time Of Birth 1839 1848 Time Of Death 1888 Years Since Death 136 Chronological Age 176 185 Biological Age Jun 5 2020 Don t kill me but What kind of name isVaggie? I love the show but why is her name is the most confusing

In the show the name usually say something about the character. Or just a normal name like Charlie. What her name means? Is it because she is a lesbian? To me it sound like the V jay jay and Vegan

And every time I say it Feb 12 2024 Alternatively Vaggiecould play a huge role in the possible storyline of Charlie deciding that the end goal shouldnt be getting sinners into Heaven via individual rehab at the Hotel and that instead they could have a real impact at making Hell a better place where sinners arent so doomed to repeat their mistakes Charlie tookVaggiehome to her abandoned mansion the future Hotel to tend to her injuries

Charlie liked the look ofVaggiefrom the moment she set eyes on her butVaggie sunk in her own misery didnt notice. WhenVaggiefelt recovered she sadly asked Charlie if she could stay because she had nowhere to go Vaggieis a good straightman for the group in my opinion

Charlie is easily excited Angel Dust just does what he wants and likes to just teaseVaggie and who knows what Alastor is after other then Entertainment The
