Mar 4 2019 Then I saw on Facebook that Shutterfly was offering a sale on photo books where there was no charge for additional pages. My book was 101 pages long so this deal was much much better than any 50% off deal. Plus I still got free shipping

So if you've got a big trip book wait for the unlimited additional pages free sale. It's well worth it! Uploading from G Photos into Shutterfly Not seeing all my photos There are a few albums appearing but not all my photos are in them

The Auto Backup specifically seems to be missing a large chunk of photos. I didn't name the Auto Backup folder so I am not sure where that is coming from or how photos get into it Then click on download. Shutterfly will send a link to your email with an archive of all the photos

It will be in your downloaded files. Go to google photos click upload go to computer go to downloads go to the archive and you are all set! It took less than a minute! Aug 11 2020 Google photos not showing up in Shutterfly I've read past posts regarding this and there seems to be no resolution

I don't know if Google is deliberately not allowing others photo sites to have access to Google photos or what How can I upload Google Photos directly to Shutterfly? Google Photos Community Help Center Community Aug 15 2024 Shutterfly claims this gives a more photo realistic image smoother tones subtle color blends and more ink coverage

Perhaps this may be why you have seen other Shutterfly books that appear brighter clearer? Welcome to the Google Photos Product Help Forum! >>> Why are my photos unavailable on Shutterfly? I assume you are getting the message Google Photos is not available at this moment

I just left a support request at Shutterfly to try to see if they have an expected resolution time. I will update this thread if I get a meaningful response Oct 31 2017 Shutterfly probably does the same thing when they make their books. If the prints you make look OK then try the book

If you want to print out pictures or make books in the future I suggest you buy a real camera. Phone cameras even with higher resolution usually can't deliver the quality of a real camera Sep 22 2014 What's your favorite program Shutterfly etc

for creating a photo book from a trip? I'm looking for something fairly user friendly but am a little overwhelmed by the choices

If you've created a book or books I'd like to know what you've used and what you've liked about it ability to add I need explicit directions to transfer all of
