ALEX OLSON FOR VIOLET Click to Watch I had never come across this rare image of Kim Gordon before and when I did I instantly had to do something with it. The way I felt right when I saw this image is how I feel when I picture the energy of Violet just raw but beautiful

An unfuckwithable kind of energy. Everything about this image hits those cords

The way I interpret it she feels some sort of a connection with Gabriella and is still to an extent influenced by her and so simply feels comfortable wearing hijab. A few more things Posted by u Ok_Economy636 4 votes and no comments Thanks sir
