Who comments on Pornhub videos? These people After being banned due to spam and lack of moderation r Pornhub is back! In order to preserve the original spirit of the sub and to combat spam we ve made a few changes Most importantly this subreddit is now exclusively for sharing Pornhub content

Advertising any other content will result in removal and or a ban. This community is for all Pornhub users viewers and content creators alike When I open like 100 videos from one of the bookmark folders at once Pornhub crashes and shows me a pornhub is undergoing maintenance error on every page

This also happens when casually browsing Pornhub or when opening like 3 links in quick succession. This makes browsing Pornhub very user unfriendly.
