The most expensive film ever made at the time Waterworld was released to mixed reviews from critics who praised the futuristic setting and premise but criticized the execution including the characterization and acting performances. Waterworld is an escapist fantasy action picture not unlike the James Bond and Indiana Jones pictures.

Costner's performance works on exactly the same level as the Connery, Moore, Brosnan portrayals of 007 and Harrison Ford's portrayal of Indy: straightforward, grim, stoic, a little mean, spirited, a little cruel, unafraid of dirt and grime.

Waterworld 1995 Cast and crew credits including actors, actresses, directors, writers and more. Featuring nearly 50 attractions for the entire family.

WaterWorld located in Federal Heights, CO is one of the country's premier family water parks! Though it suffered from toxic buzz at the time of its release,

Waterworld is ultimately an ambitious misfire, an extravagant sci-fi flick with some decent moments and a lot of silly ones. After the ice caps melt, a mutant seafarer takes a bartender and her young charge aboard his boat to escape the pirate who wants their map to dry land.
