Jun 24 2025 The World Economic Forum's latest Top 10 Emerging Technologies report explores the tech on the cusp of making a massive impact on our lives. Dec 9 2024 Davos 2025 the Annual Meeting of the World Economic Forum takes place from 20-24 January under the theme 'Collaboration for the Intelligent Age'. Jan 24 2025 The World Economic Forum's Annual Meeting 2025 has come to a close in Davos, Switzerland.

Leaders came together for a week of discussions under the theme 'Collaboration for the Intelligent Age'.

Compiled here is our coverage of the key takeaways and quotes from the week across the five main themes. Jul 14 2025 A new report finds audiences increasingly turning to social media and video for news with podcasting, personalities and AI answers emerging as trends. Aug 5 2025 2025 has been marked by significant global shifts including increased geopolitical instability, the accelerating impact of AI and a changing labour market. Jul 14 2025 With an evolving technological landscape and shifting social norms and culture, generation divides appear to be growing.

What can we do to bridge the gap? Aug 22 2025 Technological advancement particularly since the advent of AI has been driven by many interests in recent years but humanity isn't one of them.

Society is experiencing a humanity deficit, a widening gap between prioritizing innovation and neglecting what it means to be human.

Unless we collectively recognize the risks that unchecked technology poses to humanity and human evolution. Jan 15 2025 The Global Risks Report 2025 analyses global risks to support decision makers in balancing current crises and longer term priorities. Aug 20 2025 When we are young, we dream about what we want to be when we grow up.

But in the age of AI, many of those dreams are being rewritten or erased. Even for those already building careers or firmly established in their field, AI is quietly changing the rules.

The global conversation has focused mostly on productivity gains, competitive advantage and regulation. Some celebrate AI's potential. The Annual Meeting 2026 of the World Economic Forum will take place at Davos Klosters from 19th to 23rd January.
