Feb 14 2019 From other s conversation I found out they mentioned I was and sometimes they also mentioned Iwere

Is there any rules for I was were? What is the difference between were and have been and are these sentences gramatically correct? 1 some of the best known writers of detective fiction in the twentieth centurywerewomen Nov 5 2014 That is both wereto using the irrealis were and was to using a past tense verb would usually be interchangeable in a sentence structured similar to yours but that would be if the sentence was in non fiction text May 7 2023 Consider the following sentence from Introduction to Control Systems by Malgorzata Zywno Note that if a summerwereto be moved behind the block the additional gain would be equal the value of the block gain instead of its inverse

[bold mine] What does wereto be mean there? As far as I know this is a second type conditional sentence and there should be was there not were Which of the following is correct ? Whowerethese buildings designed by? Or Who was these buildings designed by? Doeswere was refer to these buildings or who ? Were ing past continuous of BE is used to situations whichwerehappening at a special time in the past and none hypothetical it is more direct not imaginative Wewas is not standard English it is used in some regional dialects The verb to be has two simple past forms in Standard English I he she it was and you we theywere

Apart from the special case of you the distinction is therefore between singular was and pluralwereln some regional dialects however this pattern is not observed. In some parts of the country speakers use was If youwerecan also imply that you had planned to do it

If Iweregoing to go home in an hour would you come? does not describe an unlikely or impossible scenario May 18 2018 I m in trouble with the following sentence How was werethe meals you had while youweregone? I think Howwere is correct but why is How was wrong? Please explain Jun 19 2022 I learned from many sources that as if itwereis accepted by all native English speakers

And as if it was is widely used especially informally. But is the simple present indicative accepted as.
