Feb 14 2019 From other s conversation I found out they mentioned I was and sometimes they also mentioned I were

Is there any rules for I was were? What is the difference between were and have been and are these sentences grammatically correct? 1 some of the best known writers of detective fiction in the twentieth century were women Nov 5 2014 That is both were to using their realis were and was to using a past tense verb would usually be interchangeable in a sentence structured similar to yours but that would be if the sentence was in non fiction text Which of the following is correct? Who were these buildings designed by? Or Who was these buildings designed by? Does were was refer to these buildings or who? May 7 2023 Consider the following sentence from Introduction to Control Systems by Małgorzata Zywno Note that if a summer were to be moved behind the block the additional gain would be equal the value of the block gain instead of its inverse

[bold mine] What does were to be mean there? As far as I know this is a second type conditional sentence and there should be was there not were Were ing past continuous of BE is used to situations which were happening at a special time in the past and none hypothetical it is more direct not imaginative We was is not standard English it is used in some regional dialects The verb to be has two simple past forms in Standard English I he she it was and you we they were

Apart from the special case of you the distinction is therefore between singular was and plural were In some regional dialects however this pattern is not observed. In some parts of the country speakers use was If you were can also imply that you had planned to do it

If I were going to go home in an hour would you come? does not describe an unlikely or impossible scenario May 18 2018 I m in trouble with the following sentence How was were the meals you had while you were gone? I think How were is correct but why is How was wrong? Please explain Jun 19 2022 I learned from many sources that as if it were is accepted by all native English speakers

And as if it was is widely used especially informally. But is the simple present indicative accepted as.
