Jul 25 2018 A accommodation area is planned to be set up at on the west side of the island

Please see the map here The two maps below show an island before and after the construction of some tourists facilities. Summarize the information by selecting and reporting the main features and make comparisons where relevant

Thanks Feb 4 2015 We might speak of the west of Europe because a continent is a big enough area for the term to make sense. On the other hand it makes good sense to speak of the west side of the campus because a campus can be seen as having sides

When referring to a side on is the usual preposition on the left side on either side etc Nov 3 2011 Hello the west side of city. I live in the Rose street which is located the west side of the city. Thanks Sep 21 2017 Hi I m confused with these sentences and I don t know which one is correct

On the western side of the island lies a beach. On the west side? of the island lies a beach. The west of the island is a beach. Thank you for your help! Jul 6 2021 a

The gathering took place in the mountains in the west of the city. b. The gathering took place in the mountains to the west of the city. Which is grammatically correct? The assumption is that the mountains are not in the city but outside it

I think b is clear

a might make it sound Nov 1 2019 on the west of the island has a grove at the west of the island has a grove if both of them use on then how do i know whether something is beside the island or on the island? or how should i describe the location of these two things when they are both on the west side of an island? Thank you for your help in advance ! May 6 2021 Thank you

I just want to cite Britannica Kids It extends across North America from the Atlantic Ocean on the east to the Pacific Ocean on the west. Forty eight of the states lie between Canada on the north and Mexico and the Gulf of Mexico on the south

Jan 9 2015 Anyone can translate My grandma pushes tea in French or give the meaning. It s in Gee Officer Krupke song West Side Story. Thanks a lot ! Jun 7 2009 Definitely on in your Cardiff example. Agreed

That s why context matters. In other contexts at the west coast could be part of a prepositional phrase and perfectly correct as such
