Sep 5 2006 I would like to know your opinion about the difference in meaning and usage if there is any of it between whatsoever and whatever. Thankyouvery much!

Apr 9 2021 Hello! I m a bit confused with two similar expressions in the title

My understanding was forwhateverreason= meaning some kind of reason whateveris used as an adjective modifying the noun reasonwhateverthe reason= meaning whateverthe reason is no matter what the reason is is being May 2 2011 Whateverobstacle is correct and means any obstacle any at all

Whichever obstacle is also correct but the meaning is different any of the already mentioned obstacles Oct 28 2007 Her response is rude implies she doesn t care and grammatically incorrect

Both sentences seem fatalistic Jan 30 2019 Hi everyone I would like to know the part of speech that the whatever is serving in the following sentence

The building must be saved whateverthe cost Nov 6 2012 I can understand whyyouused whatever to sayyouagreed but whatever used by itself does sound rude. See the discussion in this thread What ever whateverIt s difficult to think of a
