I don tknowwhy but it seems to me that Bob would sound a bit strange if he said Whyis it that you have to get going? in that situation Mar 18 2011 why can be compared to an old Latin form qui an ablative form meaning how

Today why is used as a question word to ask the reason or purpose of something Nov 7 2013 8 1 Please tell mewhyis it like that. [grammatically incorrect unless the punctuation is changed

Please tell me Whyis it like that? The question Whyis [etc.] is a question form in English Whyis the sky blue?Whyis it that children require so much attention?Whyis it [or some thing] like that? Thus we say You never know which iswhy but You never know

That iswhy And goes on to explain There is a subtle but important difference between the use of that and which in a sentence and it has to do primarily with relevance

Grammarians often use the terms restrictive and non restrictive when it comes to relative clauses Good explanation ofwhyit s optional in this case although I m not convinced that reason is the only reasonable antecedent ofwhy

For example the explanationwhyis a common usage and I don tthink you can freely substitute that in that case either. Perhaps it s already a contraction of the explanation ofwhy? Dec 2 2011 Since we can say Whycan we grow taller? Whycannot we grow taller? is a logical and properly written negative

We don tsay Whywe can grow taller? so the construct should not be Whywe cannot grow taller? The reason is that auxiliaries should come before the subject to make an interrogative Jul 1 2022 Is starting your sentence with Which iswhy grammatically correct? our brain is still busy processing all the information coming from the phones

Which iswhyit is impossible to actually rest Possible Duplicate Whyshould the first person pronoun I always be capitalized? I realize that at one time a lot of nouns in English were capitalized but I can tunderstand the pattern of those left

Is there a reasonwhyI still capitalized while you and me are not? Could it have something to do with hand writing rather than the printed page? May 9 2012 Its a headline first of all where some grammatical rules are different anyway

So this is not a sentence but a noun phrase This section tells you whyto use page level permissions. That is it tells youwhyyou should use them. Whyto and whynot to are very common in headings to encourage or discourage the reader respectively
