I don't know why but it seems to me that Bob would sound a bit strange if he said Why is it that you have to get going? in that situation Mar 18 2011 why can be compared to an old Latin form qui an ablative form meaning how

Today why is used as a question word to ask the reason or purpose of something Nov 7 2013 8 1 Please tell me why is it like that. [grammatically incorrect unless the punctuation is changed]

Please tell me Why is it like that? The question Why is [etc.] is a question form in English Why is the sky blue? Why is it that children require so much attention? Why is it [or some thing] like that? Thus we say You never know which is why but You never know

That is why And goes on to explain There is a subtle but important difference between the use of that and which in a sentence and it has to do primarily with relevance

Grammarians often use the terms restrictive and non restrictive when it comes to relative clauses Dec 2 2011 Since we can say Why can we grow taller? Why cannot we grow taller? is a logical and properly written negative

We don't say Why we can grow taller? so the construct should not be Why we cannot grow taller? The reason is that auxiliaries should come before the subject to make an interrogative Good explanation of why it's optional in this case although I'm not convinced that reason is the only reasonable antecedent of why

For example the explanation why is a common usage and I don't think you can freely substitute that in that case either

Perhaps it's already a contraction of the explanation of why? Jul 1 2022 Is starting your sentence with Which is why grammatically correct? our brain is still busy processing all the information coming from the phones

Which is why it is impossible to actually rest Possible Duplicate Why should the first person pronoun I always be capitalized? I realize that at one time a lot of nouns in English were capitalized but I can't understand the pattern of those left

Is there a reason why I still capitalized while you and me are not? Could it have something to do with hand writing rather than the printed page? May 9 2012 It's a headline first of all where some grammatical rules are different anyway

So this is not a sentence but a noun phrase This section tells you why to use page level permissions. That is it tells you why you should use them

Why to and why not to are very common in headings to encourage or
