Aug 8 2011 While the forum here is waxing on endlessly with THE PSYCHOBABBLE OF BLOWJOBS nobody has addressed this from a moral standpoint since that was the original question

I would draw only on several moralist s across time and distance and surmise that No it is NOT ethical to leave yourwifeif she refuses to give you ablowjob
Jan 29 2016 Me and mywifehave been married for 12 years now.I never expected this from her.One day when I got home from work I walked in on her giving head to another man.He immediately ran out of the apartment didn t even have time to get dressed our house she dared to do such a disgusting thing.I demanded an explanation straight away and to be May 30 2012 I need some advice on how to approach mywifeabout giving me blow jobs again

I love sex but blow jobs are much better in my opinion. She doesn t give me as much sex as I would like either but I want to address one problem at a time

She used to be enthusiastic about giving me near daily May 5 2016 I believe in second chances and mywifecheated on me multiple times but we have tried to work on things but she don t show much remorse for what she did and now we are falling apart quickly I just wish I could have figured out quicker what I really needed from her to be able to really forgive and now when I know it is to late to repair all Sep 17 2011 How to ask her tactfully for a BJ ? rofl Yeah here is what you need to do

First time heat her up. Get out of bed near the bed you standing. Command her to come to you she has to stay almost on the edge of the bed Grab her by the head preferably from the back of her head. Most women love that

Hold her tight and look into her eyes and command her suck it. Move her head until you My currentwifeis a free spirit especially when giving fellatio to other men. I went through several years of torment but after much counseling I while not really accepting this I learned toleration

I no longer fret about this knowing she will have a guy on the side at most times Nov 7 2016 That being said something weird happened. Mywifehasn t given me a blow job in years. I used to get them all the time while we were dating but theyes didn t happen much after marriage

About 2 weeks ago she shocked me when she gave me one out of the blue. For about a week she went crazy and seemed to love it wanting to give me one almost daily Nov 7 2019 WOW. So yourwife clearly indicated early on that she does not want to give blow jobs

You ve been pestering her for 40 years and you feel like this one single sex act is enough of a reason to regret marrying her and then wonder why she s no longer
