Oct 23 2017 Anyone else sharewife with friend? Discussion in Free Love started by TBayJD Oct 23 2017 Oct 12 2024 I am curious as to what type ofwifesharing are you contemplating

Do you want her to be a hotwifewhere she meets one on onewithsomeone or are you talking about MFM threesomes? Jul 30 2019 So mywifeand I have been married for 29 years now. For the last ten years we have had thesharedfantasy of sharing herwithanother man

However mywifeis very shy and conservative andwithkids in the house we never acted on it. We are now empty nesters and our sex life has skyrocketed

We started seriously talking about experiencing an MFM Dec 6 2020 Firstwifeshare experience Discussion in Free Love started by Mixedcouple615 Dec 6 2020 Feb 10 2015 The bestfriend by now both my husband s AND mine would visit us in Chicago we d all hang out several times a year

We d talk on the phone we d talk on facebook and soon I was talking to the bestie more than my husband was. And my husband was finewithit

Because it WAS fine Oct 12 2019 Afterwards mywifeand I talked about it and I didn t realize that they both watched me for several minutes fucking his girlfriend doggie style

Mywifereally liked it and found it to be very hot Oct 23 2017 If its gonna happen you should want yourfriendto enjoy it to the fullest and cheering him on once hes inside yourwifewill Help that experience. Same for yourwife

If youre there to share the experience she is free to fully enjoy thesharedintimacy of yourfriendtogether Sep 10 2006 Mywifewent outwithmy goodfriendwho watched her get drunk throw up and who was not in a clear state of mind and he took full advantage and had sexwithher. I am so confused

My first instinct was to kick mywifeout of the house and head over to my friends placewitha baseball bat and beat him severely

Now I am just absolutly devestated May 31 2006 Mywifeand I have been married for 5 years on August 18 and we have an adorable daughter who is 4 and a son who is 2 and I love mywifemore than anything in the world. I never did anything to make her even wonder about me being faithful

We were invited to a bonfire the other day and found a babysitter for the kids Aug 7 2017 Thefriendmay be single now but what if he gets in a serious relationship? His future partners may not be thrilledwithyour set up and pressure him to drop the friendship
