Sep 6 2018 The 1955 501 s look like the have a closer fit tighter maybe. They cost 10x as much as regular run of the mill 501 s as well. I ve now lost 208 pounds and I m nearly to my goal weight and old jeans sizes of 32 inches. So I m trying to figure which 501 Jean s to get

I know those here know Mar 6 2023 For a variety of reasons marketing lesser past and current popularity compared toLevis limited production and distribution of repro versions etc Lee jeans and jackets get a lot less attention here and in general thanLevisdo

Growing up in Montreal in the 60s and 70s Leviswere at Oct 31 2020 ThenLevis. I was used to wear Wrangler orLevisall my youth. But two decades ago I noticed that aLevisI had bought cracked over the knees after only three or four months

I learnt that the europeanLeviswere not longer produced in the same way and from the same material and even not produced in the USA at all anymore Dec 17 2024 As a recent convert to different cuts of leather jackets Ive stumbled upon the Levis Cossack. In particular this one on eBay image attached

From the previous posts it seems like some people are saying to save the money and go for a Mister Freedom instead? Does anyone have any more info Jan 24 2023 MyLevisbuffalo one is probably the favorite I ve come across but it was a little too thin and lacked long term evolution potential

Mine was a newer version but I ve heard some of the older buffalo were actually end game level Apr 11 2014 Picked up a made in AmericaLevisTrucker jacket. It has the small e and 4 pockets but the back label says made in USA

So the 4 pockets makes it mid 80s to present and the made in USA puts it pre 2003 is this correct? Is there anyway to narrow down the time more? Thanks Sep 25 2006 I was out shopping for some newLevisthis weekend. Looking at the tags and where they are made is quite a lesson in geography

It seems the denim material is quite different depending on what county the jeans where made in

Does anyone have any experience with where the best qualityLevisare Jan 13 2008 After stumbling onto this website by accident for the 3rd time over the course of a couple years i have managed to register and now finally my first post

I found a really nice looking suit jacket with the wonderful label of ACTION SUIT for 25\$ at a vintage clothing store. It is in excellent Jan 10 2019 I have a few questions aboutLevis501 vintage. I have some 1947 model bought a few years ago model 47501 0136 with Cone Denim from north Carolina

It Oct 30 2020 Denim experts Should all modern say 2000 to 2014 Cone Mills
