Men and women brain's chemistry is a little bit different once again generally speaking and it's like that from the beginning of the world

By the way just take a look at the comments below as they speak volume men often find it normal to masturbate to a known woman picture while women seem to feel it disgusting. While not all of us like porn videos of sex or pics of women masturbating I challenge any woman to find a hetero guy who doesn't like looking at naked boobs from time to time

just one guy. Find me one guy who doesn't see a link to pictures of say Jessica Alba in bikini and doesn't click on it. The question for any married woman or women living with their bf or fiance

Even though you have your man there to do the deed do you still masturbate at times and do you have sexual thoughts of being with another man or maybe your own man while masturbating? I am looking to see how common it is and how often you might find yourself doing it. My wife is masturbating more these days
