Our work Promoting womens human rights and achieving gender equality are core commitments of the UN Human Rights Office

We promote women and girls equal enjoyment of all human rights including freedom from violence sexual and reproductive rights access to justice socio economic equality and participation in decision making Aug 13 2025 A UN Human Rights report highlights widespread gender based violence poor health provisions and discriminatory legal systems disproportionately affecting women and girls in criminal justice detention worldwide Jun 25 2025 All over the world women are building peace in their communities often behind the scenes

Dismantling discrimination and barriers to a meaningful participation of women in peacebuilding is key to lasting solutions Mar 6 2025 To achieve this health systems must prioritize womens and girls health needs and their full participation in the workforce

By creating opportunities for women to participate equally at every level including in decision making we can transform health systems bridge gender gaps and build a healthier more equitable world International Womens Day 2025 Upholding women's rights leads to a better future for all Promoting and protecting gender equality makes sense for justice for prosperity and for a better common future

Yet around the world we are witnessing a growing pushback against womens rights and gender equality advances which were painstakingly made over decades

Gender based violence is persistent Mar 7 2025 Today for International Womens Day Human Rights Watchs Womens Rights Division Director Macarena Sez speaks with Amy Braunschweiger about the best and worst of womens rights last The situation in Afghanistan worsened in 2024 as the Taliban authorities intensified their crackdown on human rights particularly against women and girls

Afghanistan remained the only country Dec 10 2025 Every year from 25 November International Day for the Elimination of Violence against Women to 10 December Human Rights Day the 16 Days of Activism against Gender Based Violence call for global solidarity to end violence against women and girls everywhere

Violence against women is a major public health and human rights crisis affecting almost one in three women in their lifetime

The May 14 2025 GENEVA A group of independent human rights experts* today strongly condemned the widespread and systematic violations committed against women and girls in Sudan including conflict related sexual violence abductions and killings many of which have been attributed to the Rapid Support Forces RSF .We are deeply troubled by the harrowing reports of sexual violence
