Our work Promoting womens human rights and achieving gender equality are core commitments of the UN Human Rights Office

We promote women and girls equal enjoyment of all human rights including freedom from violence sexual and reproductive rights access to justice socio economic equality and participation in decision making Aug 13 2025 A UN Human Rights report highlights widespread gender based violence poor health provisions and discriminatory legal systems disproportionately affecting women and girls in criminal justice detention worldwide Jun 25 2025 All over the world women are building peace in their communities often behind the scenes

Dismantling discrimination and barriers to a meaningful participation of women in peacebuilding is key to lasting solutions Mar 6 2025 To achieve this health systems must prioritize womens and girls health needs and their full participation in the workforce

By creating opportunities for women to participate equally at every level including in decision making we can transform health systems bridge gender gaps and build a healthier more equitable world International Womens Day 2025 Upholding women's rights leads to a better future for all Promoting and protecting gender equality makes sense for justice for prosperity and for a better common future

Yet around the world we are witnessing a growing pushback against womens rights and gender equality advances which were painstakingly made over decades

Gender based violence is persistent Mar 7 2025 Today for International Womens Day Human Rights Watchs Womens Rights Division Director Macarena Sez speaks with Amy Braunschweiger about the best and worst of womens rights last The situation in Afghanistan worsened in 2024 as the Taliban authorities intensified their crackdown on human rights particularly against women and girls

Afghanistan remained the only country Nov 19 2025 Violence against women remains one of the worlds most persistent and under addressed human rights crises with very little progress in two decades according to a landmark report released today by the World Health Organization WHO and UN partners Jul 28 2025 Since July 16 the Taliban have arrested dozens of women and girls in Afghanistans capital Kabul for allegedly violating Taliban dress codes May 14 2025 GENEVA A group of independent human rights experts* today strongly condemned the widespread and systematic violations committed against women and girls in Sudan including conflict related sexual violence abductions and killings many of which have been attributed to the Rapid Support Forces RSF .We are deeply troubled by the harrowing reports of sexual violence abductions and.
