Her name is marybelle and she performs in periscope and her id in periscope  
isxpussyfairyx Typically fishes from different bodies of water have different  
preferences when it comes to what lures and bait they bite on

It doesn t change a whole lot but there s stuff like water clarity temperature  
weather of the day or water depth that needs to be considered when choosing a  
lure and what color to throw

You can just throw a texas rig around for a bit to see if anything bites and Mar
