Dec 1 2025 The officialYandereSimulator website! Learn about the game and download the latest debug build for free! YandereSimulator is the type of game that is made available for download while in an incomplete state and is regularly updated with new content

Some features are currently missing or unfinished InYandereSimulator the title of Senpai is given to the young man or young woman that the protagonist is infatuated with

The player is given the option of choosing Senpai s gender at the beginning of the game they might be Senpai kun or they might be Senpai chan Got questions aboutYandereSimulator? You should be able to find what you want to know on this page! Discord Server <https://discord.gg/yandere> Please be aware that I do not have an account or a community on the platform called Guilded so if you see anyone by the name of YandereDev on that platform it s an impostor and not the real me

If you see this or if you cant see any text displaying when you try to play the game it means that your download was corrupted or your anti virus software made a mistake and deleted some ofYandereSimulators files Someone re createdYandereSimulator in less than 2 weeks! YandereDev threatened to commit suicide to pressure a game developer into cancelling his game project! YandereDev threatened a competitor to stop developing his game! YandereDev doesn t think games improve from criticism! Information for anyone who would like to volunteer to assist me withYandereSimulator Do you want to contact YandereDev? Please use this page first! The purpose of this page is to assist in the participation of the Stream Interaction feature by providing a list of which numbers correspond to which students.
