Nov 8 2022 If the professor meant Yes I had then that would be an abbreviated for of Yes I had a nice time last night

Both Yes I did and Yes I had are grammatical. Yes I have while technically grammatical itself would be a confusing way to reply to the question 791 votes 74 comments. 8.4K subscribers in the loveandlighttv community

The lost price of Thugtopia has been identified brace for impact It is rude not sarcastic if someone asks a yesor no question to two completely different questions and only one answer comes out as a reply. A lot ruder still if asked a qualitative question and answered with Yes.
