r AskReddit is the place to ask and answer thought provoking questions Mar 13 2019 I m curious why you andyoursib wouldn t say our mother if you want to be precisely formal? Mymom implies only yours not theirs in common usage Oct 26 2020 YourMomma so fat that she went to Walmart tripped over Kmart and landed on Target.Yourmomma so fat she stepped off the curb and a Mercedes swerved to go around her and ran outta gas!Yourmomma so hairy the only language she speaks is Wookie! If you have a close relationship withyour momas an adult what did she do right? What nourished that bond? Nothing would make me happier than to have my daughter as one of my friends when she s an adult to be someone she wants to hang out with and share with and find comfort in.
