Young people have long stood at the forefront of calls for peace justice and equity. They have an internationally recognized right to be heard on matters that affect them. That's why UNICEF engages more young people on global issues than any child rights organization on the planet

With on the ground teams in over 190 countries and online platforms that mobilize millions we poll survey Policy and programme managers Advance adolescent mental health through comprehensive strategies that shape policy change strengthen capacity prioritizing prevention services and accessible and youth friendly support. Dec 20 2024 More countries adopting UPSHIFT demonstrates sustained global interest and integration into education systems remains the gold standard for ensuring long term impact

In Poland and Bulgaria UPSHIFT has become a vital resource for Ukrainian refugees and vulnerable youth in host communities equipping them with skills to rebuild their lives. Mar 7 2025 Globally youth are facing a generational mental health crisis with economic social and environmental issues putting them under unprecedented pressure. Nov 26 2020 Who are the youth of today? Generation unlimited. We have approached several young people to understand their vision and how they look at the society they live in and make it their own from each one perspective. Jan 21 2025 Humanity today has the largest youth population in history so it is good to know that 83% of them view the world as full of opportunities and 74% feel empowered to act on the issues they care about

In addition 68% of young people aspire to greater leadership roles and 50% believe they can influence decision making. Youth in Jordan are often educated and connected to the global community

However the great potential they see in the world and in themselves is often at odds with the political and economic realities they face as they enter their adult years

In Jordan 100 000 young people start looking for work every year. Aug 4 2025 The youth climate agenda extends beyond emissions reduction to encompass biodiversity protection circular economy principles and climate resilient infrastructure with policies designed with youth representation from the outset. For Zimbabwe the Adolescents Strategy extends to include youth aged 20-24

The strategy provides guidance towards UNICEF Zimbabwe's contribution to vulnerable adolescents and youth in becoming active agents of change by equipping them with knowledge skills and opportunities to become socially civically and economically resilient. May 2 2022 Find Different Tools and Guidance Resources for Meaningful Youth Engagement. Find different tools and resources to support your work for meaningful youth engagement.
