Enter your MySQL username and password to start managing your databases. Jul 28 2023 The movie's overall restraint is admirable and best felt in the numerous moments when the camera holds on to someone's scared face so we can build dread about what ghoul they are looking at.

But *Talk to Me* risks holding back too much despite its excellent concepts and promise. Discover reviews, ratings, and trailers for *Talk to Me* 2023 on Rotten Tomatoes.

Stay updated with critic and audience scores today! Jul 27 2023 *Talk to Me* Review. Letting the Wrong One In. A bereaved young woman falls under the spell of a dangerous artifact in this vibrant and poignant horror debut. Dec 1 2023 Watching the Philippou brothers' buzzy new horror film *Talk To Me*, you might feel tempted to reach out for a touch of the ultimate supernatural party game yourself. In the end, *Talk to Me* is a solid entry in the horror genre elevated by performances and a well-crafted atmosphere.

However, its familiar narrative and occasional pacing issues hold it back from being truly exceptional. Jun 23 2024 It is a decent movie but it is also a fairly paint-by-numbers supernatural horror with no really new ideas and limited scares.

The supernatural elements take a back seat to the predictable and obvious tale.
